Loyal, Tenacious, Intelligent, Courageous***

Eustace ISD values the partnership of the parents in their children's education. We will promote outreach to all parents so that meaningful involvement and effective partnerships are developed; ***together everyone achieves more***. There are many ways families can make significant contributions to student success both at home and by volunteering at the school.

Student achievement is the result of effective home-school-community partnerships. Eustace ISD is committed to the following parental involvement policy:

- An annual meeting will be held to provide parents information concerning the implementation of the Title I program.
- Annually distribute the Parental and Family Engagement Policy, explain opportunities for parental and family participation, and to seek suggestions for improving and strengthening the program.
- Parents will be provided timely information concerning grade level curriculum and goals, expectations for school performance, individual state student assessments such as STAAR, STAAR Alt 2, EOC, TELPAS, and campus assessments (six-weeks report cards, growth measures, etc).
- The testing schedule and assessment goals for STAAR, and EOC will be provided. Those students that need extra assistance will have access to programs that will help them reach these goals.
- Parents will be involved annually in the evaluation/revision of the Title I program, Parental and Family Engagement Policy, and School/Parent Compact using a variety of tools including surveys or questionnaires. The findings will be used to revise the Title I program to meet current needs.
- Parents will be involved in the development, review and evaluation of district and campus improvement plans.
- Parents will have opportunities for learning how to foster improved academic performance for their child(ren).
- Parents will be provided meaningful ongoing communication, such as district website, EISD Update newsletter, Skylert notification, parent conferences, emails, etc., in a language and format appropriate for the communication.

Eustace ISD is committed to the success of all students. We will work together with parents and families to monitor the effectiveness of our parental involvement and Title I programs and to provide our students 'A World Class Education' that prepares them for success in the digital age. This policy will be promoted by the administrators, principals, and other school staff as we seek active participation by our parents and families.
